STUDENT acknowledges that while STUDENT has paid or will pay an institutional fee determined by FULL SAIL for the LaunchBox, such institutional fee does not represent the full, retail price of all hardware and software included in the LaunchBox. STUDENT further acknowledges and agrees that (i) no refund of the institutional fees paid for the LaunchBox is available upon STUDENT's withdrawal at any time and (ii) in the event the

STUDENT does not remit payment of the applicable institutional fee to FULL SAIL when due, FULL SAIL reserves the right to charge STUDENT and STUDENT agrees to pay FULL SAIL for the difference between the institutional fee actually paid by STUDENT for the LaunchBox and the total retail price of all components of the LaunchBox as determined by FULL SAIL in its reasonable discretion.

Although FULL SAIL will make a reasonable effort to assist each graduate in seeking employment, this agreement in no way constitutes a promise or guarantee of employment upon completion of a FULL SAIL program. Career assistance may be suspended in the event that financial commitments are determined to be delinquent and/or in default.

P. Institutional Refund Policy

Refunds

FULL SAIL's Institutional Refund Policy has been established in accordance with current state and federal regulations and applicable accrediting standards. A refund to the STUDENT or fund source may result from the application of FULL SAIL's Institutional Refund Policy.

Refunds Due to Cancellations

STUDENTS who are rejected by the college, cancel application within five (5) business days of FULL SAIL's receipt of the application fee, or cancel enrollment within five (5) business days of FULL SAIL's receipt of a signed enrollment agreement are entitled to a 100% refund of tuition (0% tuition charged) and a refund of the application fee.

STUDENTS who have not visited FULL SAIL prior to enrollment will have the opportunity to cancel all courses without penalty (0% of tuition charged, excluding the application fee) within three (3) business days following either the regularly scheduled orientation or following a tour of the school.

Under any other circumstances, the application fee is retained by FULL SAIL.

If STUDENT is terminated, withdraws, or otherwise fails to complete a semester and received financial aid while enrolled, the federal government dictates how refunds (if applicable) are repaid.

The return of financial aid is dictated by the Return of Title IV Funds calculation policy. If a refund results from this calculation, federal policy requires that these unearned funds be returned to the applicable Title IV fund source.

Funds are refunded to the Title IV fund source in the following federally mandated order:

- | | |
|---|---|
| 1. Unsubsidized Federal Stafford loans | 6. National Science & Mathematics Access to Retain Talent (SMART) |
| 2. Subsidized Federal Stafford loans | 7. Federal Supplemental Education Opportunity Grant (FSEOG) |
| 3. Federal PLUS loans | 8. Other grant or loan assistance authorized by Title IV of the HEA, as amended |
| 4. Federal Pell grants | |
| 5. Academic Competitiveness Grant (ACG) | |

When STUDENT withdrawal involves the repayment of Title IV funds, FULL SAIL returns these funds based upon a federally recognized payment period. FULL SAIL's federally recognized payment period is defined as a semester.

If STUDENT withdraws on or before completing 60% of the federally recognized payment period (defined above), a portion of the total Title IV funds awarded will be returned. The Return of Title IV Funds calculation may result in STUDENT owing a balance to the federal government and, in some cases, to FULL SAIL.

Refunds are made within thirty (30) days of termination or withdrawal.

If STUDENT is provided with living expense funds originating from a student financial assistance program and STUDENT fails to complete the semester for any reason, STUDENT is required to return the unearned funds. FULL SAIL will notify STUDENT of the amount owed. If STUDENT fails to satisfy the repayment, he or she will be ineligible for any further federal student financial aid assistance.

Refunds Due to Withdrawal

FULL SAIL has an established add/drop period that is the first week of each semester. All tuition, excluding the application fee, will be refunded to STUDENTS who drop within the add/drop period. Online undergraduate-seeking STUDENTS who successfully and comprehensively complete 80% of the assignments within the first four weeks will not be administratively withdrawn and will become regular students. All tuition for STUDENTS who are administratively withdrawn, excluding the application fee, will be refunded. After the add/drop period, the tuition and fees for the semester will be charged as follows:

Percentage of Tuition Charged	Drop Date
0% of tuition charged	Prior to semester start date
0% of tuition charged	During add/drop period (first week of semester)
25% of tuition charged	During second week of semester
75% of tuition charged	During third week of semester
100% of tuition charged	After third week of semester

All institutional fees will be refunded to STUDENTS when unopened materials and equipment are returned to FULL SAIL. The date from which the refund is calculated is the last date that the STUDENT attended a

class. Refunds will be made within thirty (30) days of the date that FULL SAIL determines that the STUDENT has withdrawn. The original source from which monies are received dictates the entity to which monies are to be refunded. Refunds due to the STUDENT that are less than one dollar are not issued unless the STUDENT submits a written request. In the event of a STUDENT's prolonged illness, accident, death in the family, or other circumstances that make completion of the semester impossible or impractical, the school will attempt to make a fair and reasonable settlement. FULL SAIL reserves the right to modify these policies in order to remain in compliance with any changes in the applicable laws and regulations.

Q. Termination Policy and Borrower's Agreement

STUDENT may terminate this agreement by giving written notice to FULL SAIL, subject to the terms as outlined in the Institutional Refund Policy section of this agreement.

FULL SAIL reserves the right to terminate this agreement in the event of (i) disruptive behavior by STUDENT, (ii) destruction of property by STUDENT, (iii) nonpayment of tuition, (iv) unsatisfactory progress, (v) poor attendance, or (vi) failure to satisfactorily complete all required courses prior to attempting 150% of the credit hours required to complete the semester.

STUDENT's dissatisfaction with or nonreceipt of educational services offered by FULL SAIL does not excuse STUDENT from repayment of any private loan, grant, federal loan, or other loan whatsoever made to STUDENT for enrollment and completion of training at FULL SAIL.

R. GPS Score: Covenant to Hold Harmless

STUDENT acknowledges and agrees that in order for the FULL SAIL Career Development department to assist STUDENT in obtaining career opportunities, it is essential that the department have a mechanism for measuring the professionalism of STUDENT. Accordingly, STUDENT hereby acknowledges and agrees that STUDENT will receive a Global Professional Standards Score (a "GPS Score") from FULL SAIL according to criteria established by FULL SAIL and amended by FULL SAIL from time to time at its sole discretion. STUDENT further acknowledges and agrees that upon graduation from FULL SAIL, STUDENT's final GPS Score will be reported on STUDENT's official transcript and may, at the discretion of the Career Development Department, be disclosed to a third party.

STUDENT releases FULL SAIL from, and will indemnify FULL SAIL and hold it harmless from and against, any and all claims, actions, damages, liabilities, and expenses in connection with any employer's refusal to hire STUDENT that arises from or out of FULL SAIL's efforts to assist STUDENT in obtaining employment, FULL SAIL's disclosure of STUDENT's GPS Score to any third party including without limitation employers or prospective employers, and/or FULL SAIL's refusal to provide STUDENT with career assistance due to a low or failing GPS Score.

S. Agreement Binding

This agreement shall not be binding until it has been signed by STUDENT and signed and accepted by the appropriate FULL SAIL official.

This agreement may not be amended except in writing and with the signatures of both parties.

T. Intellectual Property

STUDENT agrees not to use any materials, or to register, or seek to register, any trademark, service mark, domain name, trade name, or corporate name that includes or is confusingly similar to any of FULL SAIL's trademarks, trade names, service marks, copyrights and copyrightable works, trade secrets, or other proprietary information, or any derivative thereof, whether now known or hereafter developed (collectively referred to herein as "Intellectual Property"), in any manner or media whatsoever, except where STUDENT receives express written consent from FULL SAIL permitting STUDENT to use such Intellectual Property. By way of example and not of limitation, without the express written consent of FULL SAIL, (i) STUDENT is prohibited from securing, registering, or creating any website, email address, blog, or social media address or account that uses or refers to any Intellectual Property, and (ii) STUDENT is prohibited from submitting, sharing, displaying, or uploading any Intellectual Property (including without limitation video, graphics, and

other content found on public websites maintained by FULL SAIL and its affiliates) to or on any website, social media website, video-sharing website, or any other media content-sharing website. STUDENT further agrees not to engage in any unlawful conduct or make any deceptive or misleading statements or representations that disparage or otherwise impair the reputation, goodwill, or commercial interests of FULL SAIL. The foregoing obligations shall continue following any termination of the relationship between STUDENT and FULL SAIL. STUDENT acknowledges that the foregoing obligations are a material inducement for FULL SAIL to enter into a relationship with STUDENT on the terms described herein.

U. Perpetual License

STUDENT agrees to grant FULL SAIL a perpetual non-exclusive, transferable, sublicensable, royalty-free, worldwide license to all materials including but not limited to scripts, video, film, computer media, audio recordings, and other creative work created in the course of a school project or activity. Use of these materials by FULL SAIL will be limited to promotional and educational activities for the benefit of the school and its students. STUDENT furthermore agrees to grant FULL SAIL the right to use STUDENT's likeness and/or voice in FULL SAIL advertising or promotional pieces.

X. Transferability of Credit

The transferability of credit from FULL SAIL to another institution is at the discretion of the accepting institution. It is the STUDENT's responsibility to confirm whether or not credits will be accepted by another college.

Y. Terms of Payment

The deferred tuition payment plan on this page does not include carrying charges, interest charges, service charges, or other costs of credit unless full payment is not received on due date, in which case interest shall become payable as set out below.

STUDENTS receiving financial aid will pay tuition in accordance with federal guidelines. Any tuition not covered by financial aid will remain due and payable by STUDENT.

STUDENT is responsible for all collection costs for past due balances and will pay all bank fees and charges for returned checks.

Disbursement of living expense funds due to STUDENT from FULL SAIL may be withheld or delayed pending receipt of payment for any outstanding account balances owed by STUDENT.

If during the term of the submission of deferred payments as set forth on this page, STUDENT seeks to extend the scheduled payments, certain finance charges may apply. Project LaunchBox Confirmation

Change of Enrollment

This document will serve as an attestation agreement certifying that I, the prospective student, will participate in Project LaunchBox, which includes the purchase of an Apple Macbook Pro, software, and technology package, if applicable, required for my degree program.

A. Package selection

I understand that I must choose one of the options below:

- ☒ Full Apple bundle ☐ Software bundle: Software & Technology Package
- ☐ Full PC bundle ☐ Specialized Package bundle: Select items only
- ☐ Technology Package bundle: Technology Package only ☐ Licensing fees only
- ☐ I will not be purchasing the Project LaunchBox bundle. I understand that I am responsible for purchasing any software or equipment required to complete my degree program.

I understand that many of my assignments will be dependent on having this computer and this specific software. I further affirm that I understand I will not be exempted or excused from any assignment due to computer/software incompatibilities.

I understand that my access to technical support may be limited or nonexistent if my system is not the equivalent of the Project LaunchBox bundle.

I understand two options are available to purchase the required Project LaunchBox bundle and I have chosen the following (check one):

- ☐ I will purchase the Project LaunchBox bundle from Full Sail using cash.
- ☒ I would like to increase the amount of my Financial Aid package by the price of the LaunchBox bundle and have that additional amount be used as payment toward purchase of the Project LaunchBox bundle.

***Not an option for cash students**

B. Internet

I understand that an Internet connection is essential to succeed in online courses within my degree, and that my personal Internet connection must satisfy the following requirements:

- My Internet connection must have at least a download speed of 768 Kbps and an upload speed of 384 Kbps.

Wireless cell phone data cards, AirCards, ExpressCard modems, 3G/4G portable mobile broadband networks, etc. are not recommended for use with Full Sail Online. While these services allow for wireless access and are adequate for most other Internet services, they are not adequate for Full Sail students. Full Sail Online students will be required to "turn in" coursework by uploading larger sized files, viewing high-quality video content, and using services like virtual classrooms that require a stronger bandwidth and Internet connection than these types of services can currently support.

B. Current Term Charges Authorization

Program regulations permit students to authorize use of federal Title IV financial aid funds for noninstitutional charges such as miscellaneous fines (e.g., parking and library fines). - ☒ I do authorize Full Sail University to apply any credit balance that may result on my student account from application of federal aid to be applied to future charges. I understand that I will not be given a refund for this amount, and that the credit will be applied toward future charges including those which may arise from next semester's tuition and fees. I also understand that I may make a written request that this authorization be revoked at any time.
- ☐ I do not authorize Full Sail University to apply any credit balance that may result on my student account from application of federal aid to be applied to future charges. Please refund any credit balance remaining on my account after current semester charges have been applied against available funds.

D. Refund Authorization

In some cases, when a student's enrollment ends prior to his or her completion of an award period, the student may be entitled to a refund of federal aid. A student's written instructions regarding the disposition of excess federal loan funds, or refund, is required if this occurs. Please indicate your choice below:

Student authorizes Full Sail to send any federal Title IV loan refunds, calculated as a part of Full Sail's refund calculation, back to the appropriate lender(s) in order to minimize any loan debt the student may have incurred during attendance at Full Sail University.

- ☒ Authorized ☐ Declined

I understand this authorization is valid from the date of signing through the date of graduation. I can cancel/amend this authorization with my Financial Aid Student Advisor at any time. I further understand that I could be responsible for paying any outstanding debts at Full Sail University if I cancel/amend this authorization. A financial hold could be placed on my student account for any outstanding balance that will prevent future course registration/drops or transcript releases until the account is paid in full.
